Agromet Advisory Based on Weather Forecast Prediction

Crop	Stage	Advisory
Weather Summary/ Alert		Weather forecast given by IMD has indicated that there is possibility of partially cloudy weather up to 4 th March in Satara district. Maximum and minimum temperatures will remain 31.0 to 32.0 and minimum between 16.0 to 18.0°C respectively. Wind speed will remain up to 5 to 8 km/hr.
General Advisory		Complete the harvesting of matured crop and carry out threshing as well as store the harvested produce at safe place.
SMS Advisory		Possibility of partially cloudy weather up to 4 th March in Satara district.
Wheat	Maturity	Carry out harvesting of wheat 2-3 days before full maturity of crop as it will avoid shattering of grains in field. At the time of harvesting moisture percentage in grain should be 15%.
Rabbi Sorghum	Maturity	Carry out harvesting matured rabbi Sorghum crop. Dry the earheads under sunlight before threshing. Dry harvested produce/grains under sunlight and store at protected place.
Chick Pea	Maturity	Carry out harvesting according to maturity of different variety.
Groundnut	Post Germinati on	Do not allow to grow weed in Groundnut crop up to 40 days after sowing of crop for that purpose timely hoeing and weeding should be carried out. Give irrigation to Groundnut crop at an interval of 8 to 10 days according to requirement of crop and considering soil type.
Sugarcane	Growth	 For ratoon management after harvesting of Sugarcane crop keep the sugarcane trash as it is, do not burn Sugarcane trash/leaves in field. Do not take ratoon if crop and field is infested with pest, disease and weed. Preseasonal Sugarcane: Apply third dose fertilizer i.e. 34 kg Nitrogen (74 kg Urea) 12 to 16 weeks after planting of Sugarcane.
Onion	Growth	Stop irrigating to rangada Onion 3 weeks before ready to harvest.
Tomato	Growth	For control of early blight spray Mancozeb 25 gram or Copper oxychloride 25 gram per 10 liters of water
Chili	Growth	For control of Fruit rot and Dieback spray fungicide Tebuconazol 10 ml in 10 liters of water
