Extension Education Council

In accordance with the provisions under clause (v) of section 29 of the Act, the authority to be called as "Extension Education Council" shall be constituted to serve as an advisory body of the University and shall advice the Vice-Chancellor and the Executive Council on all extension education matters. The Council shall have the following functions, namely

- To formulate extension education policies and annual extension education programmes of the University.
- To make recommendations for preparation of extension educational material and aids.
- To formulate short courses for non-resident rural people.
- To review and evaluate extension education programmes of the Universities
