2) Permission No. DOR/DDR-IV/Permission/ 3143 /of 2023
Date-06/12/2023

NOTIFICATION

Applications are invited for following **temporary post on contractual basis** under research project 'Ameliorating crop protection, crop production and productivity by nanotechnology application' funded by Govt. of Maharashtra to be implemented at Department of Biochemistry, MPKV, Rahuri.

S. N.	Position/ Name of the post	No. of post	Essential Qualification	Experience	Emolument per month (Rs.)	Duration	Age limit
1.	Young Professional (YP-1)	01	Essential: B.Sc. / B.Tech. degree in Agriculture/ Biotechnology/ Chemistry or relevant subject Desirable: Higher qualification and experience will be preferred	i) Basic & Practical knowledge of XRD, SEM, FTIR, EDAX, DLS, Spectrophotometer ii) One year experience in synthesis and analysis of nanoparticles	Rs. 25,000/- consolidated as per ICAR office memorandum F. No. Agril.Edn.1-06/2020-A&P Date-4 th December 2020	Initially for six months and likely to be extended further based on availability of budget	The minimum age will be 21 years and maximum age 45 years on last date of submission

The candidate should submit Application Form as per the given proforma along with the self attested copies of all necessary documents and testimonials, age proof and recent passport size photograph.

Application should be submitted in the name of Principal Investigator and Professor and Head Department of Biochemistry, MPKV, Rahuri 41372 Dist: Ahmednagar on or before 15 /01/2024. Application received after the due date or due to postal delay will not be considered. Candidate can also submit the application along with all necessary documents as **one single PDF** file through email on

hodbiochem84.mpkvrahuri@gmail.com However, sending the duly signed hard copy before the due date is mandatory.

Broad objectives of the project

1. To screen of available agricultural waste materials for synthesis of various nanoparticles.
2. To optimize protocol for synthesis of various nanomaterials from agricultural wastes.
3. To develop of ecofriendly finish formulation and check its efficacy as pesticides, fertilizers for alternative to chemical pesticides and fertilizers,
4. To develop of coating solution for increase the shelf life of post harvest produce.

Nature of work

The Young Professional-I will be responsible for

1. Screening of available agricultural waste materials for synthesis of various nanoparticles.
2. Optimization of protocol for synthesis of various nanomaterials from agricultural wastes.
3. Developing of ecofriendly finish formulation and check its efficacy as pesticides, fertilizers for alternative to chemical pesticides and fertilizers.
4. Developing of coating solution for increase the shelf life of post harvest produce.
5. Procurement related to project work analysis of data preparing progress report of the project writing research article and maintaining all the project report related documents.
6. Any other work assigned by PI and Co-PI from time to time.
7. The primary place of work will be the Department of Biochemistry, MPKV Rahuri and the farm of the University where the trial will be conducted.

Terms and conditions for the contractual post-

1. The selected candidate will be required to give and undertaking that he/she will not leave the assignment halfway and shall complete the work within prescribed time limit.
2. The candidate selected will have to execute a bond on Rs. 100/- stamp paper as per university rule.
3. Concealing of fact or canvassing in any form shall lead to disqualification candidature and termination even after appointment.
4. The candidate already employed should apply through proper channel/ submit NOC of employer.
5. The minimum age will be 21 years and maximum age 45 years for YP-I.
6. The eligible candidates will be interviewed by the selection committee. The applicant will have to appear for interview on prescribed date and time at their own cost and no TA/DA and accommodation will be provided for appearing for the interview.
7. The eligible/ short listed candidate will be communicated regarding the date and time of the interview by email.
8. The selected candidate will have to work under Principal Investigator, Professor and Head, Department of Biochemistry and Co-Principal Investigator, Assistant Professor of Biochemistry, MPKV, Rahuri for entire term on contractual basis for particular period and hr/she will not be allowed to accept any other appointment/ assignment during this periods.
9. The notification does not mean that the post will necessarily be filled in. The discretion powers will rest with Selection Committee constituted for the purpose. The appointment of the selected candidate for the said post shall be a tenure appointment and likely to be terminated at any time without assigning any reason thereof and candidate shall not have any right of claiming permanency benefit of the said post or such posts by virtue of appointment.
10. The Director/PI reserves the rights to cancel /prepone/postpone the interview without assigning any reason thereof.
11. The value of remuneration for Young Professional (YP-I) is Rs.25,000/- consolidated per month.

12. The placement of YP-I, in the scheme/project will be made on contract basis initial for six months, which can be continued on six monthly basis till date of termination of the project/scheme depending on the satisfactory progress/performance.
13. The Young Professional-I will be terminated on completion of the terms of the project whichever is earlier. Institutes/University holds no responsibility for his/her regularization/appointment by absorption or otherwise against any regular post on termination of the project as it is purely temporarily, time bound arrangement on co-terminus basis with the project.
14. The appointment of YP-I will be terminated at any time by issue of 24 hours notice if the YP-I is found to be negligent in his/her work or found guilty of gross negligence in his/her duties or of grave misconduct.
15. Regular attendance may be ensured by the concerned PI and Co-PI by keeping the attendance register.
16. The YP-I shall settle their claim within one year of leaving fellowship and no claim will be entertained after one year of leaving or termination of his/her service.
17. The research work done by the YP-I will be the property of the MPKV, Rahuri and the YP-I will have no control or right on the same. The contribution in research work can accordingly be acknowledged/included in the research papers after the prior permission from Director of Research, MPKV, Rahuri.
18. While leaving the job, YP-I has to hand over the charge to his/her PI and obtain NOC from PI.
19. Candidate shall not leave the project during and or in the middle of the tenure. Further, however, if he/she intends to do so he/she has to give one month notice in writing in advance or remit the amount of one month salary.
20. That, the candidate has to perform all duties, responsibilities that will be assigned to him/her by the PI/Co-PI as per the requirement of the project.
21. **The interview will be held at the Director of Research, MPKV, Rahuri office and date and time will be communicated later.**
22. **The candidate must bring a copy of Bio-data with full details as per the enclosed proforma along with original certificates, self attested photocopies of all required certificates from matriculation with them which can be submitted at the time of interview. The candidates are appreciated if submit their applications in advance for early scrutiny.**

NOTIFICATION

Applications are invited for following temporary post on contractual basis under research project 'Biochemical studies for extending shelf life of sugarcane juice with different packaging material' funded by Govt. of Maharashtra to be implemented at Department of Biochemistry, MPKV, Rahuri.

S. N.	Position/ Name of the post	No. of post	Essential Qualification	Emolument per month (Rs.)
1.	Skilled Helper	01	Essential: Diploma/Degree in Agriculture Desirable: 1. Experience in biochemical analysis related work in laboratory 2. Knowledge of typing Marathi : 30 WPM and English : 40WPM	Rs. 10,000/- consolidated per month

The candidate should submit Application Form as per the given proforma along with the self attested copies of all necessary documents and testimonials, age proof and recent passport size photograph.

Application should be submitted in the name of Principal Investigator and Professor and Head Department of Biochemistry, MPKV, Rahuri 41372 Dist: Ahmednagar on or before 15/01/2024. Application received after the due date or due to postal delay will not be considered. Candidate can also submit the application along with all necessary documents as **one single PDF** file through email on hodbiochem84.mpkvrahuri@gmail.com However, sending the duly signed hard copy before the due date is mandatory.

Broad objectives of the project

1. To standardize the physical treatment *viz.*, high pressure technology and UV light and chemical treatment *viz.*, acidulants, adsorbents, reducing agent, chelating agents to arrest the browning and enhance the shelf-life of the sugarcane juice.
2. To standardize the storage temperature for increasing the shelf life of the sugarcane

juice.

3. To standardize the packaging materials for economical and viable long period storage.

Nature of work

The Skilled Helper will be responsible for

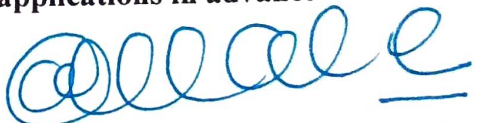

1. Standardization of conc. of acidulants, adsorbents, antioxidants, reducing agent, chelating agents individually and in combination to prevent the browning of sugarcane juice.
2. Standardization of high pressure and UV light exposure time for sugarcane juice to arrest the microbial growth and extend the shelf life.
3. Standardization of storage temperature for increasing the shelf- life of the sugarcane juice
4. Standardization of packaging material for economical and viable long period storage
5. Biochemical, physical, sensory and microbial count analysis of sugarcane juice.
5. Procurement related to project work analysis of data preparing progress report of the project writing research article and maintaining all the project report related documents.
6. Any other work assigned by PI and Co-PI from time to time.
7. The primary place of work will be the Department of Biochemistry, MPKV Rahuri and the farm of the University where the trial will be conducted.

Terms and conditions for the contractual post-

1. The selected candidate will be required to give and undertaking that he/she will not leave the assignment halfway and shall complete the work within prescribed time limit.
2. The candidate selected will have to execute a bond on Rs. 100/- stamp paper as per university rule.
3. Concealing of fact or canvassing in any form shall lead to disqualification candidature and termination even after appointment.
4. The candidate already employed should apply through proper channel/ submit NOC of employer.
5. The minimum age will be 21 years and maximum age 45 years for Skilled Helper.
6. The eligible candidates will be interviewed by the selection committee. The applicant will have to appear for interview on prescribed date and time at their own cost and no TA/DA and accommodation will be provided for appearing for the interview.
7. The eligible/ short listed candidate will be communicated regarding the date and time of the interview by email.
8. The selected candidate will have to work under Principal Investigator, Professor and Head, Department of Biochemistry and Co- Principal Investigator, Assistant Professor of Biochemistry, MPKV, Rahuri for entire term on contractual basis for particular period and he/she will not be allowed to accept any other appointment/ assignment during this periods.
9. The notification does not mean that the post will necessarily be filled in. The discretion powers will rest with Selection Committee constituted for the purpose. The appointment of the selected candidate for the said post shall be a tenure appointment and likely to be terminated at any time without assigning any reason thereof and candidate shall not have any right of claiming permanency benefit of the said post or such posts by virtue of appointment.
10. The Director/PI reserves the rights to cancel /prepone/postpone the interview without assigning any reason thereof.
11. The value of remuneration for Skilled Helper is Rs.10, 000/- consolidated per month.

12. The placement of Skilled Helper, in the scheme/project will be made on contract basis for five months.
13. The Skilled Helper will be terminated on completion of the terms of the project whichever is earlier. Institutes/University holds no responsibility for his/her regularization/appointment by absorption or otherwise against any regular post on termination of the project as it is purely temporarily, time bound arrangement on co-terminus basis with the project.
14. The appointment of Skilled Helper will be terminated at any time by issue of 24 hours notice if the Skilled Helper is found to be negligent in his/her work or found guilty of gross negligence in his/her duties or of grave misconduct.
15. Regular attendance may be ensured by the concerned PI and Co-PI by keeping the attendance register.
16. The Skilled Helper shall settle their claim within one year of leaving fellowship and no claim will be entertained after one year of leaving or termination of his/her service.
17. The research work done by the Skilled Helper will be the property of the MPKV, Rahuri and the Skilled Helper will have no control or right on the same. The contribution in research work can accordingly be acknowledged/included in the research papers after the prior permission from Director of Research, MPKV, Rahuri.
18. While leaving the job, Skilled Helper has to hand over the charge to his/her PI and obtain NOC from PI.
19. Candidate shall not leave the project during and or in the middle of the tenure. Further, however, if he/she intends to do so he/she has to give one month notice in writing in advance or remit the amount of one month salary.
20. That, the candidate has to perform all duties, responsibilities that will be assigned to him/her by the PI/Co-PI as per the requirement of the project.
21. **The interview will be held at the Director of Research, MPKV, Rahuri office and date and time will be communicated later.**
22. **The candidate must bring a copy of Bio-data with full details as per the enclosed proforma along with original certificates, self attested photocopies of all required certificates from matriculation with them which can be submitted at the time of interview. The candidates are appreciated if submit their applications in advance for early scrutiny.**
